GLOBAL TECHNOLOGY LEADERS SUMMIT

Alireza Mahmoodshahi
Chief Technology Officer
COLT

Dr. Alireza Mahmoodshahi joined COLT as the chief technology officer in April 2005, heading what is now the Technology Division.

Alireza joined COLT from KVH Co, Ltd. in Japan where he was chief technology officer and chief information officer. Prior to joining KVH in 2001, he held a number of senior positions during a 17 year career at AT&T, including spending 10 years with AT&T Bell Laboratories.

His career at AT&T culminated in the role of vice president of IP Technology & Business Development for the Technology Sector at Concert, the global joint venture between AT&T and BT.

He has a Ph. D. in electrical engineering from the George Washington University, Washington DC, USA. He is a senior member of the Institute of Electrical and Electronic Engineers (IEEE) and served as US chairman for the International Telephone and Telegraph Consultative Committee (CCITT) and the Inter-American Telecommunication Commission (CITEL) in support of global ISDN standards over VSAT.
