# GLOBAL TECHNOLOGY LEADERS SUMMIT

**Raul Vazquez**  
President and CEO  
Walmart.com

As President and CEO of Walmart.com, Raul Vazquez oversees the online development and operations of the world's largest retailer. He was promoted to this position in early 2007.

Previously, Mr. Vazquez served as the chief marketing officer of Walmart.com, and was responsible for all consumer marketing and customer-facing site functionality. He managed teams across a variety of marketing and creative functions including online, email and in-store marketing, consumer insights, category and brand marketing, corporate communications, editorial, design, imagery and information architecture.

Prior to joining Walmart.com, Mr. Vazquez spent four years at startup companies such as Ventro and Onsale. Before that time, he spent several years at a boutique consulting firm that specializes in competitive strategy for Fortune 100 firms, and as an industrial engineer at Baxter Healthcare.

Mr. Vazquez is a graduate of the Wharton Business School, University of Pennsylvania, and also received a bachelor's and master's degree in industrial engineering from Stanford University.

Walmart.com is a wholly owned subsidiary of Wal-Mart Stores, Inc., headquartered in Bentonville, Ark. Walmart.com's offices are located in Brisbane, Calif.
